MCI is part of Mey Chern Group

Consists of Mey Chern Chemicals (MCC) and Mey Chern Industries (MCI) have established themselves as the region's leading chemical manufacturer and supplier.

What the industry recognizes today as MCI was planted as a seed over 3 decades ago in 1986.

During this time, MCI has achieved these:

- Responded to raw material needs of a major renewable energy producer, ensuring continuity of biodiesel production in the region.
- Fulfilled market demand for products complying to Halal standards.
- A prominent supplier of GMP-certified products to the medical healthcare and F&B industries.

Our Story: Started in 1986 as a chemical trader

A primary raw materials provider

MCI continued to gain presence as one of the primary suppliers of HCl in the market.

Responded to minimise biodiesel supply disruption

In 2008, MCI secured a 4-year contract to be a primary HCl supplier to the biofuel processing arm of one of Asia's leading bioenergy producer.

Long-term Supply Contract of high-grade raw material

Due to excellent levels in delivery, service, supply capacity, and consistent high grade products, MCI has been chosen to be supplier of choice.
